30-minute Coloring Pages For Adults: Simple Quick & Easy Coloring Patterns That You Can Finish In Only 30 Minutes Or Less (Mini Coloring Book For Grownups) (Volume 1)

Synopsis

Now you can relieve your stress and become mindful again within 30 minutes, or less! This calming coloring book "30-minute Coloring Pages for Adults: Simple Quick & Easy Coloring Patterns that You Can Finish in Only 30 Minutes or Less" comes with 50 full-page coloring patterns printed on one side of each paper. Each design is unique and is of mild complexity, so anyone can finish a design in only half an hour. All patterns are on midnight black background or come with thick black lines, so you can color in with real relaxation, not having to worry about teeny tiny details nor coloring over a line, since the blacks would hide excessive colors. Moreover, the colors you give will be more vibrant on black. The result would be your masterpiece with the colors that truly pop! The size 6" x 6" square makes the book compact enough to carry around, yet large enough to color in with ease and enjoyable. It is perfect for either coloring on the go, at home, at the office, or anywhere you think stress is most likely to strike. You can now have a mini coloring break at any time, anywhere. Let's reward yourself, or gift the ones you care about, with "30-minute Coloring Pages for Adults", the relaxing coloring book that would have your mind unwind with only a few minutes of your time!
