Best Sellers Rank: #723,658 in Books (See Top 100 in Books) #188 in [Books > Sports & Outdoors > Individual Sports > Horses > Racing](#)

Customer Reviews

History Of Horse Racing, The by Longrigg, Roger

This book really goes back to the beginning to tell all about the history of horse racing in the US & other countries. I learned about plenty of horses, jockeys, owners, races & other history that I had not even heard of before. If you really want an in depth look at the history of horse racing, this is the book for you!

Fantastic book. Helped in my research. Highly recommend it.

I am very happy with the book and it exceeded my expectations of the condition that it is in. Thanks.

I read this book years ago, finding it in my Middle School library. Even at the time, I found it utterly fascinating. Longrigg covers the history of horse racing around the world as far back as it's known to exist. He also covers different types of racing and competition on horseback as they are found in different cultures worldwide. From the beginning, this book hooks the reader's attention and keeps it moving all throughout. Along with the thorough history are beautiful illustrations such as photographs, black-and-white and color, of famous horses and people in racing, and also paintings and sketches depicting racing celebrities in pre-photographic times.
