Customer Reviews

ITMB Publishing (International Travel Maps and Books) of Vancouver, Canada, has published detailed reference and travel maps of countries, regions, and cities around the world since 1985. The company's titles include many that are unique or the first of their kind, including the first commercially available travel map of South America.

I purchased this map to study places traveled by Alexander the Great as outlined in a biography by Robin Lane Fox. Very helpful as well as to follow current events in that country.
