Tales From High Hallack Volume One: 1 (The Collected Short Stories Of Andre Norton)

Synopsis

A rich anthology of short stories from the Grand Dame of Science Fiction and Fantasy. For decades, Andre Norton forged a truly individual legacy. Garnering a devoted legion of fans for her series, including the Witch World sagas, her boundless imagination and literary skill earned her numerous accolades including the Science Fiction Writers of America Grand Master Award and World Fantasy Award for Life Achievement, culminating with the establishment of her High Hallack Genre Writers' Research and Reference Library—an institution devoted to the betterment of the fantasy and science fiction genres. This collection is the first of three volumes that showcase her unforgettable talent. Stories include "The Last Spell," "Sword of Unbelief," "Earthborn: A Witch World Story," "That Which Overfloweth," "By a Hair," "The Gifts of Asti," "Falcon Blood," "The Dowry of the Rag Picker's Daughter," "All Cats Are Gray," "The Way Wind," "Black Irish," "The Boy and the Ogre," "Through the Needle's Eye," "The Toymaker's Snuffbox," "Ully the Piper," "Dream Smith," "One Spell Wizard," and "London Bridge."

Customer Reviews

I am old enough to have read stories by Andre Norton many years ago. This compilation of some of them is just as fresh as it was when I was growing up. Though some of the science fiction references are dated, due to the original publishing dates, the stories within are still marvelous. I loved the stories then, and I am glad I purchased this compilation so I can enjoy them again and again and again. I look forward to the next volume.

I started reading Andre Norton when I was 12?13? years old and now my youngest grandson, who is 11, has received his first copy. Wonderful story teller, may she rest in a peaceful world with all the Gentlefems and Gentlesirs, all of the 2 legged and four legged family members to keep her company.

I've loved Andrea Norton since 1957 when I first picked up one of her books at the school library. She was a tremendous write and I have a copy of almost every book she wrote.

Wonderful imagery, Norton used words like a fine artist uses pigment.What a treat to have these quick short stories collected in one place.For anyone with a few stray minutes and a bit of imagination, this isa great read

Ms. Norton was a grand master of science fiction and fantasy and created worlds filled with wonder, inhabited by well defined characters. The High Halleck series follow a well developed world where magic and steel combine to allow the characters room to grow and surprises to keep drawing you in.

It is Andre Norton enough said.

long time fan of Norton glad to see some "new" material. Would love to see witch world series for kindle

A great mixture of stories from one of the best writers. I have been reading her stories for over 50 years and still am in awe.
