The Wine Press And The Cellar: A Manual For The Winemaker And The Cellar Man (1883)

Synopsis

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

Customer Reviews

In important book for those interested in knowing the history and development of the wine industry in America. Highly recommended for those who want to know some secrets about good wine making and what makes a good wine maker

Actually I did not read it I gave it to a friend that has a vineyard in Northern New York State.
