Be Rich (Ephesians): Gaining The Things That Money Can't Buy (The BE Series Commentary)

Synopsis

In a society where wealth is often the measurement of success, popular author and Bible teacher Dr. Warren W. Wiersbe unravels Ephesians to reveal the countercultural nature of the Gospel. Through helpful illustrations and analysis, he opens our eyes to the riches that we already have in Christ—though we rarely take advantage of them. We are saved through faith, and with this gift come many other blessings. We have the Holy Spirit to empower us for the work of the Kingdom. We have the necessary spiritual armor to fight off enemy attacks. We have the promise of eternity with a loving Father and perfect God. But not only has God given us the promise of an eternity in heaven—He has given us the reality of a relationship with Him on right here on earth. Be encouraged in this good news and stop seeking the things of this world, for we already have the priceless gift of eternal life in Christ!

Dr. Warren W. Wiersbe is an internationally known Bible teacher and the former pastor of three churches, including the Moody Church in Chicago. For ten years he served as general director and Bible teacher for the Back to the Bible radio broadcast. Dr. Wiersbe has written more than 150 books, including the popular "Be" series of expositional Bible studies, which has sold more than four million copies. In 2002, he was awarded the Jordon Lifetime Achievement Award by the Evangelical Christian Publishers Association. He and his wife, Betty, live in Lincoln, Nebraska.

I am a Leadership Pastor at a church and I gave this book to all my small group leaders who are going through the book of Ephesians. Wiersbe is easy to read, but his theology is spot on. It has provided them the confidence to address the difficult questions that come up in their group discussions as well as provide them a depth of study that is not found in a study Bible. There are many great commentaries out there, but many of them require a working knowledge of Greek/Hebrew or at minimal a great understanding as to how to use them. This is not like those. This book is written for the everyday person who wants to know more about the Bible. I use it myself as well. It offers some great insight and puts simple words to complex thoughts. If you are studying in the book of Ephesians, grab this as a guide. It even has some discussion questions at the end of each chapter to help you out.

Great study on a book I've read countless times but somehow missed all of the riches that are available to us in Jesus. After completing this study I feel blessed, humbled, and like a spiritual millionaire! And to clarify, this is NOT a "prosperity doctrine" type teaching. This study shows the reader the spiritual treasures available to the believer--and they are many and wondrous. I'm now looking at my walk with Christ through new eyes and appreciating so much more what he did for me. Wonderful commentary on Ephesians.

All of Warren Wierbe's "Be" books are very helpful for Bible study. He goes step-by-step through, in this case Ephesians, and explains the setting and the meanings of words that were used in that time period. He also brings in supporting scripture where necessary. He never talks above the readers head. His books are useful tools whether you're new to Bible study or have been studying for years.

A great "beginner" book on Ephesians. Not that Wiersbe cannot go to deep places in his teaching and writing. He simply has a gift to make a book concise through hitting the high and important spots. Plus, as he hits these "spots" he gives a great overview and understanding of where the author of Ephesians is wanting to lead the reader. Lastly, he, Wiersbe leads to a place where one begins to think and dig deeper. He is a gift to the body of Christ and I found this book helpful. Tom T

As usual, Wiersbe is right on target with his insightful study of this text. Though I have read Ephesians, I have never understood it as I do not; and I can see why Warren Wiersbe says that we are rich in the things of God. I had never thought of this text like that, and I am so excited when I

delve into this commentary each night. My Bible is right beside the commentary as I read and study and gain a better understanding of what God is showing and telling me about my rich inheritance.

The outline of the book is very good but Wiersbe. But the book itself is light reading and Weirsbe (in my opinion) misses the mark in many areas.

Wiersbe is one of my go-to author's when I am looking for a devotional and Be Rich does not disappoint. It is a through study that is also easily understood. Highly recommended!

Warren Wiersbe has great commentaries on the Bible. They are very insightful and easy to understand. I use his commentaries often for Bible studies and when I teach on the word of God.
