Customer Reviews

This is my nephew's favorite Minecraft book author. I can't really say enough good things about this author. If you want your kid to read something worthwhile and your kid likes Minecraft, this is the answer to your prayers. He gets so excited waiting for "Diary" to release a new book. When it gets released he "makes" me buy it. It brings a smile to my face when he begs me to buy this author's books. Yeah my nephew that hates reading with a passion is begging to be able to read something. If that doesn't speak volumes about the content that "Diary" is releasing I don't know what would.

Anything to keep my son reading. He likes reading, but lives any form of Minecraft book.

hi BK do u still remember me? i love this book. Jamie u know wat? u r gonna go to the overworld. i m saying that cause im pretty sure Jamie doesnt have a kindle. if he does i wouldbe in trouble cuz he would burn my house down.:D lol. anyway all your books are enjoyable by readers because there is always a big challenge for the character and he always completes it and then there is always a happy ending. he sometimes has a rival who is mean to him (cough cough Jamie) and always beats him(or catches him cheating Jamie, Clyde, Wesley). anyway i love all your books and keep up the good effort. Hope you havent forgotten Bob the endermite :). Ur the brstMega CreeperBIGGEST BK FAN IN THE WHOLE WORLDNO ONE CAN BEAT MY LOVE FOR YOUR BOOKS.

That was THE BEST BOOKS KID BOOK EVER WRITTEN! That was AMAZING! GO BK!

Once again, "Diary" makes another very well-written book. As you can see "Diary" has a special writing skill that most authors don't have. High quality with a simple plot that makes readers enjoy this book. I thought that this book was great. This is a must-read. Nobody wants to miss the exciting adventures of The life o a minecraft blaze! So get your book today.

Before I give my opinion on this book I would like to say that those people who have this book one star are quite mistaken and don't see these books for what they really are: a masterpiece. This book is an exciting, mysterious, and funny novel with a kind reference that left handed people are special. P.S. I am left handed.

This book is so boring! I didn't even want to finish it that'show much I hated it! This book is

boring!!!!!!
