I use the Workbook / Study Guide Volume I (covers episodes 1-26) with the "Second Edition of the Alternate Edition" textbook (ISBN 0-07-252536-3) and the Destinos video series . It supplements and expands the exercises in the textbook . The additional exercises are helpful in the learning process. For me, it is a MUST to have this Workbook / Study Guide. That being said, this Workbook / Study Guide is difficult because it requires more time, more work, more discipline, more focus, more thinking, more everything. If you don't have that extra "more," I strongly suggest that you NOT buy this Workbook / Study Guide. If you buy the Workbook / Study Guide, you will need to separately buy a set of audio CDs or audiocassettes. You can't do the exercises in the Workbook / Study Guide without the audio CDs or audiocassettes. The additional audio CDs and audio cassettes are: Destinos Audio Cassette Program Part 1 (episodes 1-26) - ISBN 0072504404 Destinos Audio CD Program Part 1 (episodes 1-26) ISBN 0072504382 Again, you NEED to buy the audio cassettes or the CDs to accompany the Workbook / Study Guide. Be sure to reference the ISBN numbers to make sure you purchase the right one! I would not recommend buying a used Workbook / Study Guide. The exercise answers and self-tests will have been completed - right or wrong - and that's not helpful to you.

Excellent method. This series and all the materials are really unsurpassed. I watched the series right thru a couple times as it was quite entertaining and all of the materials (Book, both workbooks and accompanying workbooks) were without a doubt effective. I am not sure what else could be expected of an educational resource. Note I gave the same review to all of the materials in the Destinos series. Again, I can not imagine anything better. It has everything.

Arrived on time. I will be using quite a bit.

it is a tremendous help to me in my daily travel to and from work. i just load the CD and embrace the learning for approximately one and a half hour trip. it is an asset and practical help for me in not just learning a foreign language but something about the various cultures.

Helps you learn Spanish

all important pages were ripped out

It was everything thing it was advertised to be.

In excellent condition, especially for a workbook. 1 star knocked off because 2 pages were missing which was not noted in description.
