Great guide for all purposes. Gives you the inside track on neighborhoods, restaurants, sightseeing etc.

Lots of good information about points of interest, restaurants, and accommodations Have used this in the past and found it very handy. Lost my older copy so I just had to order your new version.

I did not received it before leaving for my trip. Have read it since returning home and know that it would have been of great value during the trip.

I love Frommer's travel guides. For years, I've used them when planning trips to cities I don't know well. I love the tear-out map, which I put in my purse.

Book arrived quickly and as described. I find this a valuable resource for planning our summer DC trip.

Used this book a lot on our recent trip to DC; it was very useful.

Lots of details. Helped us plan and navigate our first trip to Washington D.C.

Very informative and complete
