The Dream Interpretation Dictionary: Symbols, Signs, And Meanings

Synopsis

What do reoccurring dreams reveal? What's the purpose of nightmares and can they be stopped? Why do some people show up in dreams? Are some dreams actually warnings? Going beyond superficial explanations, *The Dream Interpretation Dictionary: Symbols, Signs and Meanings* brings a deep and rich understanding to a variety of images, signs, and symbols. It considers the context to help anyone complete their own personal jigsaw puzzle. It provides the tools to allow anyone to sort through possible connections and to make sense of their dreams. From entries ranging from 'Abandonment' to 'Zoo,' this massive tome analyzes sex dreams, money dreams, dreams of falling, running, or paralysis and much, much more. It brings profound insights to thousands of dream messages. It shows what to look for and what to ignore and teaches how to master dream interpretation. Examples of symbols are given. The complexity and context of a dream are explored. Signs and their meanings are illustrated. Illuminating the intelligence of dreams, decoding clues, explaining symbols, and revealing the universal meanings of each as well as their subtler associations, *The Dream Interpretation Dictionary: Symbols, Signs, and Meanings* explores the messages delivered by the unconscious mind during sleep. It examines how dreams connect to daily life. It shows how dreams can lead to deeper understanding and self-awareness. Also included are a helpful bibliography and an extensive index, adding to the book's usefulness.

"â | offers a lot of suggestions to explore with each symbol â | [the author] has so much knowledge

about dreams and its symbolism ..." â " Mindfunda.com

"A thoughtful, well written and deep look at dream symbols in a dictionary format. This may serve as a handy reference for those completely befuddled by their dreams." â " Robert Waggoner, author of Lucid Dreaming

Just what I expected

I have read MANY books about dreams and dreaming including owning several dream dictionaries. JM DeBord's The Dream Interpretation Dictionary includes so many more topics than the others that it has become my #1 'go to' book when examining my dreams. JM includes a section on 'Figuring Out Your Dreams' which is a valuable step-by-step process for those who are starting their journey of dream interpretation. For experienced dream interpreters JM includes 'Recommended Online Resources' that can be used to further explore the dream world. ~ Robert Sharpe, Host of Bringing Inspiration To Earth radio show

PROThis book offers a lot of suggestions to explore with each symbol that is mentioned; You get invited to explore a particular symbol using your own experiences; Some symbols are described at length. For example Shadow is described on three pages; You can't help but feel a lot of admiration for Jason who has so much knowledge about dreams and its symbolism. CONA dream dictionary is a dream dictionary. Nothing compares to hiring the expertise of a dream expert, like Jason or Susanne van Doorn. A dream expert can provide depth to the meaning of your dream you have not experienced before because he/she can tune into certain memories with the view of an objective observant. read the whole review on mindfunda.com/dream-interpretation-dictionary/
