Customer Reviews

How old is the data? I'm not sure, but I looked u my old "home town" Key West, Fl. and found that a motel that closed and was torn down 6 (or is it 7?) years ago was listed. Atlantic Shores was nice (but old) and the beach was nice, but small is immortalized in the guide.

This is a wonderful book to find out all about gay naked places worldwide.

I have heard bad things about this publisher - and he simply seems to copy erroneous information from the internet and from Michael Boyd's old Naked Places guides (which are better, even though out of date). The whole thing reads as a scam and feels badly amateur. Don't waste your money!

All of the information is available by doing a simple google search on where you are traveling to. Even so, a large portion of the information is grossly out of date, including resorts that have been closed for years. I wasted my money. Don't waste yours.

excellent ~ thank you so much....

I don't if the magazines are old or new the guys are sexy I wish I had a boyfriend... I am single.
Thanks :)
