Hi. I know that I'm the author of this, so I apologize for the biased review, but I sincerely would never produce a poor product. This product will help you obtain a coveted finance job while also providing information regarding whether you truly want to work in this career field. Perfect for both potential Analysts and Associates. For many, it will be the best and only resource they can use to prepare for the interview. I hope you enjoy this as much as I enjoyed putting it together. All the best, David
