Customer Reviews

Great short read. Working girl meets cute guy on the job. Guy turns out to be totally different from what she expects. But that's ok. Sort of a "don't judge a book by its cover" kind of story. It's sexy, fun and just goes to show you shouldn't live your life to please others. Enjoy the moment while you can!

This story is like Cinderella at the ball but instead of one prince she gets 2. Great little story that is worth reading!

Okay, so perhaps I am putting a bit too much pressure on these tiny novellas. Their main goal is to be a bit steamy, while helping some (in this case me) visualise a fantasy. And that's what this is. It's

a short little story about a curvy black woman who is swooped off her feet by two hot guys while still maintaining her independence and refusing to be paid for you know... Sexy times.

I enjoyed this short story about waitress that meets two billionaires and ends up in a relationship with them. Nice to see a girl that doesn't want anything from the guys monetary wise.

If you are looking for a short read at bedtime then this is the book for you. Harry, Ryan & Lola don't have a conventional relationship but it seems to works for them. All I can say is love is love and it shouldn't matter how many people are involved.

Loved this book. Every girls dream!!

would love to read more

My only complaint...too short...(sigh). Good stories do that, you never want them to end. I found a few too many grammatical errors for a short read, which always takes away from a story. Could use some editing to make the story flow better. Even though this is a quick read I got a good concept of each character. I was in the mood for a hot bedtime story and this book delivered.
