awesome book great buy

One more cute, fun coloring book for my collection :)

I love Japanese art so of course I love this coloring book!

Great gift! Love the variety!

the pages are poorly reproduced and the graphics not that sharp plus the paper is thin

lovely illustrations where you can easily add your own flair

this is/was a HUGE disappointment; I had great hopes, looking forward to this, only to find it greatly lacking in quality and deeply suspicious that no Japanese had a hand in it. the females were a westerner's idea of a Japanese. not worth ten cents because it isn't even good enough for my 6 year old niece!
