Mark and Cimbrey Brannan are Texas A&M Former Students presently residing in Houston, Texas.

We bought this book for our grandson as a high school graduation gift. It is a great introduction to Texas A&M for incoming freshman. A&M is a school rich in traditions that make every Aggie cherish their time there.

This book is excellent. My wife and I ordered it to read to our daughter. Excellent illustrations and perfect for teaching the proud culture and traditions of Texas A&M. There are other Aggie kids books out there, but this is by far the best. Gig Em!

What an amazing book! I gave this as a present to my nephew and he just loved it. I just wish the authors would put out books for other schools in the SEC (hint Auburn)!

Our family loves this book! It's been a favorite since our son was TINY! The rhyme and rhythm,

along with familiar places and traditions are perfect!

We love, love, love this book! What a short, sweet and magical way to introduce your kids to the myriad of Aggie traditions.

This is our 3 year old son's favorite book!! It is written very well and the picture quality is awesome.

One of the best books I've readGreat for young and alumni

Love how the Aggie traditions are woven into a familiar storybook.
