Lyon And Beyond Travel Guide

Synopsis

2016 EDITION This guidebook was fully updated in 2016 with a few new hotels and restaurants included, and also the wonderful new Musee de la Confluences which opened in December 2014. There are also location maps for the hotels and restaurants, and numerous colour photos. The Lyon and Beyond Travel Guide is a pocket guide to the best of Lyon, written by two award-winning travel experts. It is published in the Beyond Travel series, a series of pocket guides published by the Beyond London Travel website. Other titles in the series include Marseille and Beyond, Bordeaux and Beyond, Toulouse and Beyond, and Montpellier and Beyond, all available for the Kindle. Lyon and Beyond is an inexpensive mini-guide to France's second city, and one of the most beautiful and historic cities in Europe. Lyon is also regarded as the gastronomic capital of France regardless of what they say in Paris. The book describes the best sights to see in Lyon itself, as well as the wine region of Maconn just outside Lyon, and the roman remains at Vienne and St-Romain-en-Gal. There is also a special 5,000-word section on the nearby city of Saint-Etienne, a popular destination in its own right, and well worth a side trip of a day or more from Lyon. And beyond Saint-Etienne is the beautiful region of the Gorges de la Loire and Saint-Victor. The guide also has sections on the best shopping and sporting activities, and recommends a range of personally-selected hotels and restaurants to suit all budgets in both Lyon and Saint-Etienne. For sports fans especially, there is a comprehensive guide to the main stadiums in Lyon - the Stade de Gerland - and Saint-Etienne's famous Cauldron. Mike Gerrard and Donna Dailey have won several awards for their travel writing, including a Benjamin Franklin Award for a guidebook to Paris. Among their other guidebooks are the National Geographic Traveler Guide to Greece, The Top 10 Paris Guide for Dorling Kindersley, the CityPack Guide to Nice and the Cote d'Azur, Paris by Metro, and the Bloom's Literary Guides to both Paris and London. They have written guidebooks for almost every major travel guide publisher, including National Geographic, Dorling Kindersley, Michelin, AA, AAA, Fodor's, New Holland, Berlitz, Insight, and many more.

Customer Reviews

Well worth the \$3 we invested. I completely surprised my wife with a trip to Italy & France for our anniversary - she thought we were going to Nashville lol. To pull the surprise off, I could do VERY little preparation, and simply purchased several e-books that were easy to hide. This was a really nice resource for our two days in Lyon. My only gripe is that they need to take advantage of the medium and add a real map. I used the travel guide for background, but found myself switching to a free map I found online (on my phone) or a free tourist map from the hotel.

Not that much info.

Good reference work.

Lots of useful tips for our proposed visit to this lovely city. It has enabled us to plan our days.

Great, and useful.

disappointing- very limited information and an underwhelming book - i bought for a gift and was embarrassed to give.

I've just got back from spending a long weekend in Lyon and this was exactly the kind of guide I was looking for, not too much background, opinionated reviews, a good read and some nice photos

too. Mike & Donna clearly know the destination very well, and their recommendations were pretty much spot on

While it did highlight some main attractions, there was very little practical information about how to get from one place to another, no suggested itineraries, not even a map. A good start but could use some work.
