# International Financial Management, Abridged

## Synopsis

Combining depth of theory with practical applications, Madura's best-selling INTERNATIONAL FINANCIAL MANAGEMENT ABRIDGED, 12E builds on the fundamental principles of corporate finance to provide the timely information and contemporary insights needed to prosper in today's global business environment. With its signature reader-friendly style and clear explanations, the text introduces international finance with a focus on the important role of modern multinational corporations in global commerce. It discusses a wide range of managerial topics using a strong corporate perspective. Emphasizing the most recent financial changes and industry trends, the Twelfth Edition highlights financial reform and its impact on international finance today. Self-tests, expanded real-world applications, and relevant examples provide the hands-on experience you need to prepare for contemporary practice.

## Customer Reviews

Jeff Madura is Emeritus Professor of Finance at Florida Atlantic University. The recipient of multiple awards for excellence in teaching and research, Dr Madura has written several successful finance textbooks. His research on financial markets and institutions has been published in numerous journals, including Journal of Financial and Quantitative Analysis; Journal of Money, Credit and Banking; Financial Management; Journal of Financial Research; and Financial Review. Dr Madura has served as a consultant for international banks, securities firms and other multinational corporations. In addition, he is a former director of the Eastern Finance Association and a former director and president of the Southern Finance Association. He earned his BS and MA from

Northern Illinois University and his DBA from Florida State University.

I wasn't blown away by this book but I think it is an easy book to understand. It doesn't help that my professor barely uses it because he thinks it is missing a lot of important things. I also randomly noticed that my book goes from page 98 to page 107. I only realized this because I was looking a word up in the index and it says it is on page 104.....apparently I don't have a page 104. It didn't seem like anything was missing because the chapter questions were there and the start of the next chapter was there too but I still couldn't find the term I was looking for. I have no idea if it was printed wrong or it is missing a chapter or what. It still is a very nice book but it would be nice if it was checked for errors before it shipped. This is a really great deal compared to renting this book at the book store on campus. was definitely the cheapest by far!

The book i needed for cheap

I rented it. It was the exact version I needed for class.

Great

Just as expected

Only bought the book for school. Stuff is so boring
