Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

This is a great book for beginners. The lessons are written in a manner, so that anyone can understand them, even if you are picking up the violin for the first time. Includes a cd (or you can download the music) to play along with which has really helped me in my playing. Will worth the price.

This book is great for beginners. This is what the school wanted. It was so much easier to order it online than try to find it in a music store.

Just what we needed for school, was in perfect condition, thanks!

Another great music book for my daughter.

Was a little bit late, but other than that it was just as I expected it. Came with the CD's and very little writing in it.

Exactly what we needed.

This book is easy to follow for a first time instrument player. It has built confidence in the player who can master the pages as she progresses.

Very detailed step by step instructions on playing the instrument. It helps kids get excited to practice. This has songs and warm-ups.
