## **Customer Reviews**

Sort of crap, lazy storytelling, but my son liked it for a few days.

I will recommend this to everyone if your child is into Cars movie. It is fun to read along and you will enjoy watching your child having good time reading it.

My two year old son loves these books. I ordered quit a few for him for his birthday and he loves them more and more every time we read them!

Great books, my children love them, read them at night and watch pictures.

My son loves his book!

6 year old loved it, he is just learning to read and was excited for a book of his favorite movie. Glad I choose this for my daughter to give her friend!

My son wanted this book and actually picked it out himself. He loves anything cars at this point. He doesn't talk, but he loves looking at the pictures.

Very happy customer
