Book by Clise, Michele Durkson

What else is there to say? If you love Ophelia, you have to have all of Michele's wonderful Ophelia books. (Wish I still had my stuffed Ophelia and Schnuffy bears).

Decades ago, I called Ms. Clise in Seattle and had her send me several of her bear books. I have a collection of mohair bears and got inspiration for displaying them from her photos. All her books will make you feel cozy on the inside. And kids will like them, too

This book and others by this author are charming. Perfect for the bear lover on your list. Great for older kids and adults.

A sweet book with many photos of teddy bears dressed in antique clothes in antique settings. A good gift idea.
