## Customer Reviews

"This is the boldest, brassiest garden book to hit the market, and what a delight."--School Library Journal (starred review)"A zesty introduction to vivid, abstract art. Both Ehler's illustrations and her basic instructions shed light and color on the simple pleasures of gardening."--Publishers Weekly

Used this book in conjunction with Market Day for a special Spanish camp this summer. Planted a garden, had a mock market stall where the kids bought and sold veggies. Children loved it and learned a lot!
