Everything's Eventual: 14 Dark Tales

Synopsis

The first collection of stories Stephen King has published since *Nightmares & Dreamscapes* nine years ago, *Everything's Eventual* includes one O. Henry Prize winner, two other award winners, four stories published by *The New Yorker*, and "Riding the Bullet," King's original e-book, which attracted over half a million online readers and became the most famous short story of the decade. "Riding the Bullet" is the story of Alan Parker, who's hitchhiking to see his dying mother but takes the wrong ride, farther than he ever intended. In "Lunch at the Gotham Caf  ", a sparring couple's contentious lunch turns very, very bloody when the m  tre d' gets out of sorts. "1408" is about a successful writer whose specialty is "Ten Nights in Ten Haunted Graveyards" or "Ten Nights in Ten Haunted Houses", and though Room 1408 at the Dolphin Hotel doesn't kill him, he won't be writing about ghosts anymore. And in "That Feeling, You Can Only Say What It Is In French", terror is d  j vu at 16,000 feet. Whether writing about encounters with the dead, the near dead, or about the mundane dreads of life, from quitting smoking to yard sales, Stephen King is at the top of his form in the 14 dark tales assembled in *Everything's Eventual*. Intense, eerie, and instantly compelling, they announce the stunningly fertile imagination of perhaps the greatest storyteller of our time. The complete list of narrators includes Becky Ann Baker, John Collum, Boyd Gaines, Peter Gerety, Josh Hamilton, Arliss Howard, Judith Ivey, Stephen King, Justin Long, Oliver Platt, and Jay O. Sanders.

Book Information

Audible Audio Edition

Listening Length: 17 hours and 22 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Simon & Schuster Audio

Audible.com Release Date: March 4, 2014

Best Sellers Rank: #57 in Books > Audible Audiobooks > Fiction & Literature > Horror #113 in Books > Literature & Fiction > Genre Fiction > Horror > Occult #154 in Books > Literature & Fiction > Short Stories & Anthologies > Short Stories

Customer Reviews

2 flippers way up. Pretty much what you've come to expect from King. I love his character

development and ability to accurately depict small-town life. This series is a great cross-section of all of the things King is capable of: love, lust, regret, pain, terror. Definitely worth the price. :)

I thought I'd never get tired of reading Stephen King. There were a few books there for a while that got kind of tedious. I thought he was done. But then short stories like these remind me of just how good a writer he can be. A great collection that spans from Horror to real life. Kinda.

Of all the King books I've read, this is probably the weakest. Sorry Stephen. I've read lots of your writing. This book has some truly awful stories. A couple of them read like he just stopped writing them without finishing. Leaves more questions than answers. The one decent story is Riding the Bullet. Buy that as a single. Compared to Skeleton Crew....weak...really weak.

Exactly as described, fast shipping and great price! Love Stephen King!

Not bad of a book to read. It was interesting to read the short stories especially about the 1408. It's different.

Thank you for having a great product available for purchase.

Stories have no endings. Probably should have known that going in. Not my cup of tea.

These stories were just ok for me....not page turners. Otherwise, I usually love Stephen King books.
