A Princess Of Landover (Landover Series)

Synopsis

Ben Holiday, Chicago lawyer and mere mortal turned monarch of enchanted Landover, has grappled with scheming barons, fire-breathing beasts, diabolical conjurers, and extremely wicked witches. None of whom have prepared him for the most daunting of challengers—*a teenage daughter*. Sent by Ben and his beloved sylph bride, Willow, to an exclusive girls' prep school, headstrong (and half-magical) Mistaya Holiday has found life in the natural world a less than perfect fit. And when her latest rebellious antics get her indefinitely suspended, she's determined to resume her real education—*learning sorcery from court wizard Questor Thews*—*whether her parents like it or not*. But back home in Landover, Mistaya's frustrated father is just as determined that the precocious princess learn some responsibility, and he declares her grounded until she successfully refurbishes the long-forsaken royal library. Mortified by the prospect of salvaging a king's ransom in moldy books—and horrified by word that repulsive local nobleman Lord Laphroig seeks to marry her—*Mistaya decides that the only way to run her own life is to run away from home*. So begins an eventful odyssey peppered with a formidable dragon, recalcitrant gnomes, an inscrutable magic cat, a handsome librarian, a sinister sorcerer, and more than a few narrow escapes as fate draws Landover's intrepid princess to the last place she expected to go, and into the thick of a mystery that will put her mettle to the test—and might bring the kingdom to its knees.

Customer Reviews

Terry Brooks published his first novel, The Sword of Shannara, in 1977. It was a New York Times bestseller for more than six months. He has published twenty-five New York Times bestsellers since. Two of those--the novels Running with the Demon and A Knight of the Word--were chosen by the Rocky Mountain News (Denver) as among the best fantasy novels of the twentieth century. A practicing lawyer until his third book was published, Brooks now writes full-time. He lives in the Pacific Northwest with his wife, Judine.

The book was great, but they changed the person that read for the Landover series. They changed all the voicing and actually made them with Irish accents that were not Irish accents before. The guy read well, but he should not have read the 5th book of a series. It was very hard to listen to it, as I felt I knew the characters before. Now I didn't know anyone! I hated that part. Don't know why they didn't have the other guy finish. Very disappointing. I reccomend it by reading only

I enjoyed it very much.

My kids love this series. They really liked this one also, but I thought it was not as interesting. It is still very good though.

When it finally got here I loved it:) I love these stories.

This series is one of my favorite, I have read Mr. brooks since I was in jr High by the reader could keep my attention a little better, but not bad.

I received the cd in good packaging and excellent shape. I buy used audios and this was as described in the details. I would buy from them again. TYVM!
