Customer Reviews

It's an OK calendar for someone into bicycling. Some of the pics aren't all that exciting, and some of the quotes aren't all that great, but overall it looks nice on the wall and reminds me of why I like to ride my bike.

Does what it's supposed to do.

It's a beautiful calendar, and perfect for me as I love bike touring. Just looking at it makes me happy!
The only way a calendar like this could be any better is if it was my bike touring pictures.

great photos and captions, just the right size to hang on your wall and make notations and other important stuff.

This was a gift but my sister loves it for her office as she cycles

Beautiful photography. Love that it has moon phases.

Very nice calendar, arrived in perfect condition.

We love bicycles and we love this calendar!!
